2011-2012 MECHANICS TOOLS CATALOG

# Blackhawk™

BY PROTO®

When you're working late and facing a tight deadline, it all comes down to two things: you and the tool in your hand.

Since 1945, Blackhawk has manufactured the industrial tools that mechanics depend on in tough situations. Now, as a Proto® line, we've taken our commitment to reliability even further, broadening our catalog of tools into a comprehensive, competitively priced line.

In addition to being reliable, the Blackhawk™ by Proto® line is also complete. Currently, our line includes more than 1,500 items that cover most automotive, light industrial and maintenance applications.

Earlier this year, Blackhawk™ by Proto® went through an extensive line refresh to give you, the professional, exactly what you were asking for. The expansion gives users more choice and flexibility through expanded ranges of available sizes and upgraded features. All Master Sets have been remixed and feature many of the new Blackhawk™ by Proto® products including the pear head ratchets, screwdrivers, pliers and impact sockets. The new line also introduces new products, never offered before such as the 4Box™ ratcheting wrenches, obstacle wrench sets, and locking extensions.

**Blackhawk™ by Proto® tools are tools you can count on to work when all that seems to be working is you.**

## WARRANTY AND DISCLAIMER

### Limited Lifetime Warranty:

Except as specified below, Proto® Industrial Tools, a business unit of Stanley Black & Decker, Inc. ("Proto®") warrants any of its Proto® branded products, including products sold by the Proto® Industrial Tools that are marketed as products "by Proto®," for the useful life of the product against defects in material or workmanship.

Torque Wrenches, Torque Multipliers and Torque Testers are warranted for one year, except for calibration which is warranted for 90 days from date of purchase. Torque products can be repaired and recalibrated for a nominal charge at the Proto® Authorized repair center located at 2195 East View Parkway, Ste 103, Conyers, GA, 30013 or any other such location as may be designated by Proto®. Defects in material or workmanship will be repaired or replaced at no cost: all other repairs will be at a nominal charge. Torque products are precise measuring devices that require care in handling. Proto® recommends that all torque wrenches be recalibrated once a year or more, depending on usage.

### Disclaimers and Limitations:

This limited lifetime warranty:

- Is subject to the disclaimers and limitations described below and is in lieu of all other warranties, express or implied, including the implied warranty of merchantability or fitness for a particular purpose.
- Gives you specific legal rights. You may also have other rights that vary by state.
- Does not extend to products that have been improperly used, altered, or repaired by any entity other than Proto®.
- Does not cover the following categories of products: universal sockets, universal joints, thin-wall impact sockets, adapters, and retaining rings.
- Does not cover damage due to ordinary wear and tear.
- Does not extend to any claim for incidental, consequential, or special damages. Some states do not allow the exclusion of limitation of incidental or consequential damages, so this exclusion may not apply to you.
- Proto® makes no representations beyond those contained in this Limited Lifetime Warranty.
- Employees and agents of Proto® have no authority to make representations of any sort beyond those contained in this Limited Lifetime Warranty.

### Exclusive Remedy and Claim Procedure:

- Distributors of record must act as a return agent.
- The exclusive remedy under this Limited Lifetime Warranty for products determined to be deficient in materials or workmanship by Proto® is repair or replacement with a reconditioned tool of equal value by Proto®.
- The selected remedy is at the sole discretion of Proto®. In no event shall Proto® be responsible for more than the original purchase price of the product.

### Questions:

To ask questions about, or to make a claim under, this Limited Lifetime Warranty, contact your Proto® Territory Manager.
